SUMMARY

Professional costume designer/stylist bringing director and agency visions to life for more than 100 commercials both nationally and internationally. A high level of skill has developed over the past 13 years by working on all levels of costume, from standby to buyer on major film and television productions, to designer on commercials, short films and music videos. Capable of working on small-scale productions with limited budgets, to large productions with big budgets styling hundreds of cast at one time.

SKILLS

Costume design, fashion design, patternmaking, sewing and construction, cutting, textile design and printing, jewellery making, aging & distressing of clothing, computer literate
